

## Lesson 3 - God The Father

**What difference did forgiveness from God make in your life this week**

### **GOD THE FATHER**

#### I. THE EXISTENCE OF GOD

a) The Bible does not seek to prove the existence of God. The fact that there is a God is assumed throughout the Scriptures. The first verse of the Bible, Genesis 1:1, is an example. "In the beginning God created the heavens and the earth." God's existence is presented as a statement of fact that needs no proof. The man who says there is no God is called a fool in Psalm 14:1.

b) However, even apart from the Bible, there are certain evidences for the existence of God.

1. Mankind has always believed in a universal being.
2. Creation must have a creator. The universe could not originate without a first cause.
3. The wonderful design which we see in creation demands an infinite designer.
4. Since man is an intelligent being, his creator must have been of a much higher order to create him.

#### 2. THE NATURE OF GOD

a) God is Spirit - He is invisible.
