

New Life Chapel Special Music Guidelines

1. Special music will be scheduled whenever possible, with the goal of twice a month or more. Special music is for BOTH services.
2. Only one special may be scheduled per Sunday.
3. Whenever possible, special music content should match the general topic of the sermon.
4. New Life Chapel members/attendees will audition for the Worship Leader before being scheduled. After successfully completing one scheduled special, further auditions may not be necessary.
5. No person/group will be scheduled more than once in any six-month period. Recognized New Life Chapel ministry groups (mime, dance, worship, etc.) are exempt.
6. When possible, live music is preferable over tracks. However, please ask musicians to accompany you at least one month in advance. Accompanists are subject to availability.
7. All those participating in special music will dress appropriately.
8. Sound check for specials begins promptly at 7:55 a.m. Sunday morning.
9. Special music for Christmas, Easter, and other holidays is scheduled at the Worship Leader's discretion and must be auditioned. Requests should be made six weeks prior to the holiday.
